

Conn-Selmer School

Ensure a brighter future for your students and your program

Attract the best student candidates to your institution by providing superior music tools for both learning and teaching.

A Conn-Selmer School Partner can provide educational resources for current students, increased regional exposure to enhance recruiting efforts, and national exposure to raise the awareness and impact of the University throughout the country.

Educational Benefits

The support Conn-Selmer may provide to a Conn-Selmer School Partner includes:

Establishment of music faculty as clinic presenters to local, regional, and national audiences, in accordance with Conn-Selmer endorsing artist and clinician programs.

Provision of scholarships for music education majors to participate in Conn-Selmer Institute Educational Sessions.

Use of joint website links between the University and Conn-Selmer as mutually agreed.

Optional Provision of new methods class instruments as selected by the University every two years.

Today's colleges and universities recognize that their reputations are based on attracting the finest students into their music programs. These institutions recognize that they must offer superior facilities and academics, and the best performance experiences available to successfully recruit outstanding students.

The Conn-Selmer School Partnership can provide educational resources for your current students, increased exposure to enhance recruiting efforts, and a continually strengthened relationship between your institution, Conn-Selmer, and your local supporting music store.

Conn-Selmer manufactures a complete line of professional, step-up, and student band and orchestra instruments to meet the needs of all musicians. For over 250 years, the legendary brands of Conn-Selmer have shaped the musical landscape, providing the finest instruments played by the finest performers. From 18th century Europe, to the days of John Philip Sousa, to virtually every symphony orchestra today, accomplished professionals choose instruments from Conn-Selmer.

Brands rich in tradition, such as Vincent Bach, Selmer, C.G. Conn, Leblanc, King, Holton, Vito, Armstrong, Ludwig, Musser, and Glaesel, are part of the Conn-Selmer family. Encompassed within these brands are instruments second to none, instruments that dominate the professional market, and instruments that offer unique performance results demanded by today's finest players.

FISCAL MANAGEMENT

Using a generous program of in-kind grants, your institution will have the opportunity to purchase and/or lease new quality instruments to fulfill your performance needs. An optional methods class lease program is available to participating schools for student level instruments, rotated out every two years.

Instrument purchase/lease proposals will be tailored to your institution's needs.

LOCAL DEALER PARTNERSHIP

Through our valued network of authorized dealers, your institution will select its local music store partner to provide instrument service and support backed by Conn-Selmer.

With various artist and clinician opportunities provided by Conn-Selmer, your institution can utilize its local dealer partner to ensure mutual event exposure.
